

# Public Informational Meeting

## Derry-Londonderry 13065 I-93 Exit 4A

The New Hampshire Department of Transportation (NHDOT) is advancing final design for the Derry-Londonderry 13065 I-93 Exit 4A project. The project will reduce congestion, improve safety and promote economic vitality in the project corridor. A Public Informational Meeting has been scheduled to present a project overview and design update with a focus on the 13065A interchange area. The meeting will begin with an Open House where participants can view project plans and ask questions of project team members. A formal presentation will follow the Open House and the public will have an opportunity to ask questions or make comments.
